# GIANTS' BATSMEN FACE HEINIES' BOY WONDER

## STABBED IN A THEATRE ROW.

Scenic Artist Seriously Wounds Manager Montague Jacobs on the Stage of the Murray Hill.

Montague Jacobs, a theatrical manager, of No. 101 West One Hundredth street, was stabbed in the chest this afternoon on the stage of the Murray Hill Theatre by William A. Lavelle, a scenic artist, of No. 321 West Thirty-fifth street. Jacobs is in Bellevue Hospital in a critical condition and Lavelle was arrested without bail.

Lavelle was arrested and was arraigned in the Yorkville Police Court. There he told Magistrate Hogan that the stabbing was accidental and that Jacobs had pushed against the knife. The Magistrate held him without bail to await the result of the wounded man's injury.

Mrs. Jacobs was seen at her home after the stabbing took place. She had not heard of it, and she fainted when told her husband had been injured. On recovering she asked who had struck her husband, and on being informed it was Lavelle, she exclaimed, dramatically: "If my husband was killed in cold blood I'll shoot the man who did it, on the spot."

CINCINNATI, July 9.—Another "boy wonder" was trotted out against the Giants to-day. The Reds are in a bad way for twirlers, and Manager McPhee is willing to give almost anybody who comes along and says he's a slab artist a chance to make good. Young Amos Scott was driven to the tail timbers by Davis's men yesterday.

To-day they faced another Buckeye "phenom," one Charley Case. Case is a local youngster, and he has been

Caught in a Storm Off California Coast and Is Not Heard From.

SANTA BARBARA, Cal., July 9.—The fishing boat Kingsfisher, Capt. Vasquez, returning from Islas to-day, reports the loss at sea of the launch Chispa with nine persons, composing part of a pleasure party which left here yesterday morning at 10 o'clock.

There were three divisions in the party, nine persons in the gasoline launch Chispa, three in the gasoline launch Bumblebee and nine aboard the sloop yacht Ariel. The boats approached Santa Cruz Islands about 10 A. M.

When about three miles out heavy seas broke over them and drove them apart. The Chispa has not been seen since.

## BANK WRECKERS MAY GO TO JAIL.

United States District Attorney Burnett told an Evening World reporter this morning that Capt. Ball, his expert, had discovered irregular entries in the books of the Seventh National Bank, which the bank officials have not been able to explain.

Mr. Burnett says he will prosecute the case irrespective of reorganization plans.

He has asked the Department of

U. S. District-Attorney Burnett Has Discovered Fraudulent Entries in Seventh's Books.

Justice in Washington for authority to employ Mr. Moxey, the celebrated bank accountant, to go over the ac-

counts with Mr. Ball, with a view to the prosecution of those guilty.

Irregularities Found.

Mr. Burnett said: "Capt. Ball reported to me to-day that he has discovered entries in the books that appear to be irregular. He called upon the bank officers who should have been able to explain

## DOES NOT WANT A JUDGESHIP.

Gen. Burnett Says Young Man Should Succeed Brown.

Gen. Henry L. Burnett, United States District-Attorney for the Southern District of New York, has been mentioned as a possible successor to Judge Addison Brown, who last week resigned the position of United States District Judge of this district.

Gen. Burnett reached his office this morning in the Federal Building from his home in Goshen. When asked as to the truth of the report he said:

"The use of my name in this connection is entirely unauthorized. I am not a candidate for the position of United States District Judge, and under the circumstances would not be."

"I am over sixty years of age, and under the laws of the United States a man who has reached the age of seventy years and has served ten years on the bench can be retired at full pay."

"I believe that in selecting a successor to Judge Brown the President should choose some younger man, a lawyer of high standing, and one thoroughly familiar with the admiralty and bankruptcy laws of the country."

"That, I understand, is the intention of President McKinley. I have not the slightest idea as to who may be the man selected."

## FUGITIVE TAKEN WITH \$7,000.

Austrian Postal Clerk Fled Here with His Stealings.

Ladislav Falkai was arraigned before United States Commissioner Alexander to-day on a charge of embezzling money from the Post-Office Department of Austria. The complaint was made by Ferdinand Freydenberg, Acting Consul-General of Austria.

While in the employ of the Austrian Government at Budapest, Falkai was given money orders and registered letters to the value of \$7,000 (about \$8,000) to deliver. He disappeared.

Five weeks ago he arrived here on the steamship Cologne. Since that time the man had been living at No. 12 State street, where he was arrested.

In the prisoner's possession was found \$7,000. Falkai admitted that the money had been stolen by him. He added that he had sent part of it to relatives in Austria to pay their passage here.

The prisoner waived examination and asked to be sent back to Hungary at once.

**WON'T SAIL ON TRANSPORT.**  
The United States transport McClellan is scheduled to sail to-morrow for Manila. She takes the place of the Ingalls, which sailed dry-dock.

## EXPLOSION IN BIG OIL TANK.

Standard Oil Company Suffers a Loss of About \$5,000.

An explosion in the yards of the Standard Oil Works, at Williamsburg, this morning created consternation in the thickly populated district adjoining. Fire followed the explosion in one of the big stills used for crude oil, and the flames shot up in the air fifty feet or more, the tongues of fire breaking out from the dense black smoke.

All the oil in the tank was withdrawn except a couple feet in the bottom, which was allowed to burn out.

The loss was about \$5,000. Five men were injured, two seriously. Lawrence Murphy, No. 91 Berry street, burned about legs and body, was taken to Eastern District Hospital.

William Fitzpatrick, of Wythe avenue, burned about the body, legs and arms, was taken to Williamsburg Hospital.

The other three men were cared for in the company's yard and sent home. There were seven gallons of oil in the still and this was run out through the safety pipes to other tanks.

**POISONED BY TOADSTOOLS.**  
CHICAGO, July 9.—Mistaking toadstools for mushrooms, three men employed as carpenters by the Austin Driving Association were to-day probably fatally poisoned. The victims are Patrick Donohue, Peter See and John Ryan.

## SECOND BRONX FOOTPAD TAKEN.

Two of the Men Who Held Up Johansen Are in Jail.

The police of the Bronx late this afternoon arrested a man named Fisher for complicity in the hold-up of Theodore Johansen, and the attempt to kill him.

Schoofy in his confession to Capt. Titus implicated Fisher. Schoofy is under arrest at headquarters and Fisher will be brought down to-morrow.

It is hoped by the police that the third participant in the crime will be behind the bars to-night. Johansen is in Fordham Hospital, and is said to be in a grave condition. The chances against his recovery over-balance those that he will live.

## M'ADAM GIVES BISSERT A STAY

Recorder Goff Had Set Wardman's Trial for Next Monday.

Justice McAdam, in the Supreme Court, to-day granted a stay in the trial of Detective Bissert, of the East Fifth street station, charged with accepting a bribe.

Recorder Goff had set the case for hearing next Monday and Lawyer Grossman, of House, Grossman & Vornhaus, seeking to have the case tried in the Supreme Court instead of General Sessions, on the ground that important and difficult questions of law are involved, went before Justice McAdam and secured the stay, which operates until July 15.

## CLERK BROKE BOY'S ARM.

Otto Lorenz Held for Assault on Harold Smith.

Otto Lorenz was held in \$500 bail to-day by Magistrate Furlong, of the Myrtle Avenue Police Court, Brooklyn, charged with assault upon Harold Smith, a thirteen-year-old lad.

Lorenz, who is a clerk in a grocery store at St. Mark's and Vanderbilt avenues, is said to have twisted the arm of Smith until the bones protruded.

Smith lives at No. 34 Fulton street with his parents, and had bought a bottle of soda of Lorenz. Later he claimed two cents rebate on returning the bottle. The clerk said the soda had not been purchased there, and after a few words it is said, attacked the boy.

At the City Hospital the surgeons found that the bone at the elbow had been wrenched from the socket and the bones below the joint broken.

Also that the approval and record by the Secretary of State of their certificates of incorporation were judicial acts which prevented the maintenance of the action and that the American Dames never had the exclusive right to the name they assumed on taking the case.

**WEATHER FORECAST.**  
Partly cloudy to-night and Wednesday; light to fresh easterly winds.

## STATE DAMES WIN IN COURT.

Title "Colonial Dames" Cannot Be Used Exclusively by Any.

A decision was handed down by the Appellate Division of the Supreme Court to-day in the case of the Colonial Dames of America against the Colonial Dames of the State of New York and others.

The action of the lower court annulling the complaints in actions of the plaintiffs was affirmed, thus permitting the defendants to call themselves any kind of Colonial Dames, which was the point at issue.

The Dames of America contended that the words "Colonial Dames" were distinctive in character and capable of exclusive appropriation and that by right of priority the American Dames were entitled to such exclusive use.

The other Dames held that their titles were not the same or substantially the same as the Colonial Dames of America, that the words "Colonial Dames" were generic and descriptive and could not be appropriated exclusively.
